

Appendix Order of Designation - Groundwater Management Rules and Regulations

Public Notice – Lower Platte North Natural Resources District Amended Groundwater Management Area Rules and Regulations to become effective April 13, 2015.

ORDER OF DESIGNATION

The Lower Platte North Natural Resources District (District) held a Public Hearing on February 9, 2015, in accordance with Neb. Rev. Stat. § 46-743 to consider proposed amendments to the District's Groundwater Management rules and regulations;

Following the Public Hearing, the District adopted the proposed amendments to the District's rules and regulations for the management area. Copies of the Order, Amended Rules and Regulations indexed to the Order as Exhibit A, and Special Quantity Subarea Map indexed to the Order as Exhibit B, are available for public inspection at the District office at 511 Commercial Park Road, Wahoo, Nebraska 68066, and on the District website at www.lpnrd.org;

WHEREAS, the District finds it necessary to publish its Order as passed by the District during its March 9, 2015 board meeting, pursuant to Neb. Rev. Stat. § 46-744 once each week for three consecutive weeks;

WHEREAS, the Amended Rules and Regulations of the District:

1. Provide definitions for terms in Section A.
2. Establish well spacing for registered domestic wells in Section I.
3. Clarify and amend the provisions in Section R:
 - a. Amend dates when static water level measurements are to be taken;
 - b. Clarify rolling allocations in the Butler-Saunders Special Quantity Subarea;
 - c. Amend date that flow meters are required in the Colfax-Platte Special Quantity Subarea to May 1, 2016; and
 - d. Clarify rolling allocations in the Colfax-Platte Special Quantity Subarea.
4. Clarify and Amend provisions in Section S:
 - a. Clarify penalties in rolling allocations; and
 - b. Clarify penalties in annual reduction formula.

The effective date of the Order of Designation and the Amended Rules and Regulations is April 13, 2015.
