# Coffee, Lakeside

## WONDERFUL WORLD OF WETLANDS

Join Mike Heller, with JEO Consulting Group, as he discusses the amazing benefits that wetlands provide for us and for our environment!

Join us every month for a "Coffee, Lakeside" educational event at the Clint Johannes Education Building at Lake Wanahoo - located at 1655 County Road 16, Wahoo. Each month will focus on a new topic, and there will be free coffee and donuts available to all those who attend.

Are you curious about a specific topic and wish to learn more?
