

Wildflowers & WINE

Wednesday, August 17

7:00 P.M. - 9:00 P.M.

Clint Johannes Education Building
1655 County Road 16, Wahoo
East side of Lake Wanhoo

Learn about native bees and habitats with UNL-Extension Bee Lab, explore the Lake Wanhoo prairie with a walking plant ID tour, then end the evening with a wine tasting! Hosted by the Lower Platte North NRD and Pheasants Forever. Wine provided by Cellar 426 Winery.

This educational event is open to all. ID's will be checked prior to wine tasting.

LOWER PLATTE NORTH
Natural Resources District
