## **POST-CAMP QUESTIONNAIRE**

Please answer the following questions thoughtfully. Responses help LPNNRD evaluate program impact and support future natural resource education efforts (may be used in LPNNRD newsletter, website, and social media):

1. What was the most meaningful activity or lesson you experienced at ACE Camp, and why?
2. Did attending ACE Camp help you learn more about Nebraska's natural resources (such as soil, water, agriculture, or conservation)? What are one or two new things you learned?
3. What were some real-world problems or challenges you learned about at ACE Camp? Which one stood out to you the most, and why?
4. How could the knowledge or skills you gained at ACE Camp help you make better choices for the environment at home, at school, or in your community?
5. After attending ACE Camp, what activities, subjects, or topics do you want to continue doing or learn more about? How do you think this could help Nebraska's natural resources in the future?
